

Announcing the 6th Annual Schools to Skills Grant Program

Building Careers.
Changing Lives.

Explore HBI's Grant Opportunity for Your School!

- ❖ HBI presents the Schools to Skills Grant for secondary schools nationwide.
- ❖ Backed by The Home Depot Foundation, this initiative boosts career technical education using HBI's acclaimed Pre-Apprenticeship Certificate Training (PACT) curriculum.
- ❖ Collaborate with HBI to establish skilled trades training and industry-recognized certifications for middle/high schoolers.
- ❖ **Apply by December 15th to adopt the PACT Program.**

Benefits of PACT:

- ▶ Learn construction trade basics
- ▶ Develop practical skills through hands-on projects
- ▶ Acquire the skills for building industry success
- ▶ Earn recognized credentials in 9 Trade Specialties
- ▶ Affordable alternative to traditional college paths
- ▶ Broaden students' career horizons
